

COOKIES POLICY

1. WORLD NATURE HOUSES uses cookies on this site. A cookie is a small text file that identifies your computer on our server. Cookies, by themselves, do not identify the individual user, only the computer used, and are not used to collect personal information.

2. The collected cookies will only be used by **WORLD NATURE HOUSES** and its use, which will never occur in an abusive or invasive way of the user's privacy, is limited to the following purposes:

I) recognize the identity of the user and, in possession of such information, improve the quality and effectiveness of the service provided by retaining information related to his or her preferences and eliminating the need to repeatedly introduce the same information;

II) estimate the quantitative and qualitative levels of service usage.

3. The cookies are assigned individually to each of the users in order to guarantee the security and confidentiality of the data.

4. Cookies will be stored on the hard disk of the user's computer in order to save his or her preferences.

5. Although such operation may cause loss of some functionality normally available on the site, the user may disable cookies in his or her browser.

6. All browsers allow the user to accept, reject or delete cookies, in particular by selecting the appropriate settings in their browser. You can set cookies in the "Options" or "Preferences" menu.

7. However, whenever you perform any of the tasks related to the cookies provided in the previous point, regardless of the browser, the user may be confronted with the existence of constraints related to the operability of certain functionalities available on the site, with necessary damages in the quality of navigation operating on it.
